# What is Daikin VRV?

## One flexible package

Daikin VRV is a modular, commercially applied air-conditioning and heating system that distributes refrigerant from the outdoor unit to multiple indoor units, providing efficiency, comfortable individual user control and reliability in one flexible package.

Daikin VRV systems provide advanced solutions for almost any large residential to commercial application. Available in air-cooled or water-cooled solutions and heat recovery or heat pump systems, VRV provides advanced heating and cooling options with individual zone control for both open plan and tightly grouped applications.

VRV is built upon 5 basic "Building Blocks" — Outdoor Unit, Indoor Unit, Piping, Controls, and Ventilation — providing the attributes of a central chilled water system but with the simplicity of a split system. This makes it very flexible and ideal

for energy-efficient and comfortable cooling and heating of many types of buildings such as banks, health care, skilled care, libraries, storage facilities, conference centers, etc.

# VRV Indoor Units and Controls

## Indoor Units

### FXMQ\_TBVJU

HSP DC Concealed Ducted Unit

### FXMQ\_MVJU

HSP High Capacity Concealed Ducted

### FXFQ\_TVJU

Round Flow Sensing Cassette, Ceiling Mounted

### FXZQ\_TBVJU

VISTA 2x2 Cassette for VRV

### FXSQ\_TBVJU

MSP Concealed Ducted

### FXTQ\_TAVJU

Multi-Position Air Handling Unit

### FXUQ\_PAVJU

4-Way Blow Ceiling-Suspended Cassette

### FXEQ\_PVJU

Ceiling-Mounted Cassette (Single Flow)

### FXDQ\_MVJU

LSP Slim Concealed Ducted Unit

### FXLQ\_MVJU9

Floor-Standing Unit

### FXNQ\_MVJU9

Concealed Floor-Standing Unit

### FXAQ\_PVJU

Wall-Mounted Unit

### FXHQ\_MVJU

Ceiling-Suspended Unit

### HXY48TAVJU

LT Hydrobox (Hot and chilled water solution)

### CXTQ\_TA + Gas Furnace

80-97% AFUE Communicating Gas Furnace

### DZK (Daikin Zoning Kit)

Zoning Box for FXMQ\_TB and FXSQ Indoor units

### Ventilation Solutions

DVS, Outside Air Processing Unit (FXMQ) and Energy Recovery Ventilator (VAM)

## Controls

Daikin **HERO** Cloud Services and **HERO** Simple Edge

Daikin **DKN Plus** Interface

Daikin **One+** Smart Thermostat

### DZK (Daikin Zoning Kit)

DZK Wired, Wireless and Wireless Lite thermostat options

## About Daikin:

Daikin Industries, Ltd. (DIL) is a global Fortune 1000 company and is recognized as one of the largest HVAC (Heating, Ventilation, Air Conditioning) manufacturers in the world. Founded in 1924, Daikin is approaching 100 years of HVAC worldwide leadership. DIL is primarily engaged in developing indoor comfort systems and refrigeration products for residential, commercial, and industrial applications. Its consistent success is derived, in part, from a focus on innovative, energy-efficient, and premium quality indoor climate and comfort management solutions.

Before purchasing an appliance in this document, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

Our continuing commitment to quality products may mean a change in specifications without notice.
